YOUR PROJECT

The musical genre for this project:

Your favorite reference tracks (Artist/song):

What is your goal with this project? (e.g. CD, demo, etc.):

What elements will be the focal point of the recording? (e.g. vocals, instruments, effects, etc):

Your mix preferences if any (e.g. heavy bass, lots of reverb, etc.):

Any other important elements for you?:

I can provide mixes to you for review by email as mp3, by email as .wav files (via Dropbox attachment), as an upload to a shared Dropbox folder (free registration), or as a CD to take with you or to be picked up later under my mailbox

FEES

The studio **flate rate is \$45/hr** for all services - payable by cash, check to "Surgeon of Sound", or VISA/MC/DISCOVER card

An invoice can be printed or emailed upon request

The "clock" starts at the agreed appointment time unless prior notice is given.

I am quite flexible, however same-day cancellations less than two hours prior to the start time will be billed a 1 hour cancellation fee (\$45)

I bill time in ½ hr increments to the closest half hour mark

I request full payment of the balance after every 10 hrs of service at a minimum

I appreciate a full payment of the balance when recording is completed, and when mixing/mastering are done

THE STUDIO

A 30' x 20' sound-treated room locate in a private home in Novato (no separate isolation room)

Up to 6 musicians can be recorded at once including drums

I use Pro Tools 10 running on a Mac Pro computer

I use professional-grade preamplifiers, microphones, and compressors for recording

The studio has a drum kit as well as guitar and bass amplifiers if needed

Keyboards include a weighted 88-key keyboard, a small analog synth, and 25-key midi controller.

There is no piano in the studio

I can provide assistance with CD sleeve design and duplicating services through Diskmakers.com
